PRESS RELEASES

Dent Wizard Acquired by Dealer Tire

JANUARY 8, 2020

Benesch represented Dent Wizard in its acquisition by Dealer Tire. Founded in 1983, Dent Wizard has grown to more than 7,000 customers, including dealerships, body shops, rental agencies, and auto auction companies providing paintless dent repair, minor wheel and paint refinishing, interior repair and key replacement, in-transit repair, hail, and catastrophe services, as well as related F&I products. With more than 8,000 dealership customers, Dealer Tire is the leading tire replacement supplier to automotive dealerships in North America. It also serves OEMs in both the U.S. and China.
