Jonathan Todd and Ashley Rice Publish Article in Law360 About Tariff Challenges Facing Trucking Companies

MAY 23, 2025

Jonathan Todd, Vice Chair of Benesch's Transportation & Logistics Practice Group, and associate Ashley Rice co-authored an article in Law360 examining the impact of international trade tariffs on U.S. trucking companies.

The article outlines strategies transportation providers can use to remain compliant and competitive in navigating these pressures. Todd and Rice highlight the importance of diversifying supply chains, understanding evolving tariff rules, and building flexibility into procurement and logistics contracts.
