

Win-win real estate deals depend on a **game-ready quarterback.**

That's where I come in.

I represent—and connect—forward-thinking, progress-seeking, business-savvy developers, owner/operators and equity investors

looking to capture and add value in the real estate market.

Complex joint ventures and development deals come with high stakes and high expectations.

I come with a game plan.

Taking in the big picture and taking charge of the close-up details.

Structuring. Negotiating.

Troubleshooting. Overseeing.

Forging practical partnerships to get the job done.

Whether a short-term investment or a long-term portfolio asset, I help you iron out the issues, mitigate the risks, and Bring your vision to life.

I'm **JENNIFER DESSER.**

I'm on your team.

- > Partner, Real Estate & Environmental Practice Group
- > Representing developers, REITs, institutional investors and real estate opportunity funds.
- > Focuses on commercial real estate and finance transactions, with an emphasis on the acquisition, development and financing of multifamily, office, retail and hotel properties nationwide.
