

Know Your Limits! Recent Developments in Liability Limitations

OCTOBER 3, 2017 | WEBINAR

3:00 p.m. ET | 2:00 p.m. CT | 1:00 p.m. MT | 12:00 p.m. PT

Liability limitations permeate all aspects of freight and cargo claims. Many moves are multimodal and, consequently, material issues arise as to which liability limitation will govern, whether liability will flow upstream or downstream, and whether the material deviation doctrine, inherent vice or another exemption might preclude application of a limitation of liability benefit.
