

Ready for what's next.

BENESCH WELCOMES TWO PARTNERS TO THE CHICAGO OFFICE.

We are pleased to announce that partners **Scott P. Downing** and **Jason S. Greis** have joined the firm.

Scott P. Downing
Partner, Health Care & Life
Sciences Practice Group

Scott focuses his time on developing the right business and legal structures for healthcare companies, particularly joint ventures among various providers

and non-provider third parties. Over the past two decades, he has participated in numerous transactions involving the purchase or sale of healthcare facilities representing both buyers and sellers of such companies.

Scott has extensive experience assisting ancillary service providers with all of their healthcare regulatory and corporate needs, with an emphasis on dialysis facilities, ambulatory surgery centers and specialty hospitals, as well as counseling large physician practices on the appropriate structure for their practice and the integration of their ancillary services. This experience translates to practical and effective advice.

Scott routinely speaks to industry and trade groups concerning legal and business issues in healthcare. He has authored or coauthored a variety of articles on business and legal topics affecting the firm's healthcare clients.

Jason S. Greis
Partner, Health Care & Life
Sciences Practice Group

Jason regularly represents a variety of dialysis and nephrology providers, vascular access centers, office-based laboratories, cardiac catheterization

laboratories, ambulatory surgery centers, physician group practices, hospitals, post-acute facilities, laboratory companies, healthcare information technology companies and other providers in structuring mergers and acquisitions, joint ventures, accountable care arrangements and syndications.

Jason regularly provides guidance on fraud and abuse issues, the corporate practice of medicine and MSO-friendly PC structures, fee splitting, false claims act matters, licensing, changes of ownership and control, physician employment and recruitment, compliance with accreditation standards, hospital and medical staff bylaws and other regulatory compliance issues.

Jason regularly speaks at a variety of industry trade groups. Jason was recognized in 2019 as a Chambers-ranked "Up and Coming" lawyer, and he is a former President of the Illinois Association of Healthcare Attorneys where he also served as a member of its board of directors for many years.
