## ACCOUNTING

### Bober Markey Fedorovich

BMF welcomes with pride and purpose, our newest partner **Mindy Marsden, CFE**. Mindy is a Partner in our Transaction Advisory Services group (TAS), a national practice serving private equity firms, strategic buyers, subordinated debt funds and others within the merger and acquisition arena on quality of earnings, due diligence and related matters. Mindy joined BMF's audit department in 2008 before transitioning to our TAS group in 2011. She is a graduate of the University of Akron.

## ARCHITECTURE

### HBM Architects, LLC

HBM Architects is proud to recognize the professional accomplishments of **Brooke Breiner, NCIDQ, LEED AP ID+C** who has been promoted to Associate. Brooke joined HBM in 2014 & has over 15 yrs of professional experience. Brooke recently contributed to the success of projects such as the Main Library Renovation for the Toledo Lucas Co. Public Library, renovations to the renowned Antoine Predock designed Rawlings Library for the Pueblo City County District Library & multiple projects for the Stark Co. District Library.

## CONSTRUCTION

### Rudolph Libbe Group

**Day Hoy** and **Tim Levers** have been promoted to account managers for the Rudolph Libbe Group, northeast Ohio operations. Dan began his career with RLG in 2019 as a project engineer. Currently he is working with our Walbridge, OH office's project management team on the close-out of the Elyria Carvana project. Tim began with the North Ridgeville office in 2015 as a co-op student while attending the University of Akron and was promoted to project engineer in December 2017. Tim has been managing work at the Cleveland-Cliffs steel mill as well as closing out the ore conveyance tunnel for CLE-CUY Port Authority.

## CONSTRUCTION

### Tober Building Company

**Anthony Lazar** joined Tober Building Company in 2021 serving as Director of Design. His 38 years of design, construction and management experience, along with tradesman, estimator/project manager, business/salesman, construction admin, and architect skills, optimizes design, development, and construction processes. Always innovating better ways of building, designing and managing the construction process, he ensures communication between TBC and other parties to gain higher levels of service and quality.

## CONSTRUCTION

### Tober Building Company

**T.J. Pasadyn** joined the Tober Building Company in 2021 and serves as Senior Estimator. He has over 21 years of commercial estimating experience, as well as experience as both an Estimator and Project Manager for several prominent local firms. This background drives his focus at TBC on bringing his knowledge of Site Development and General Trades to the Pre-Construction team. T.J. enjoys the challenge of assisting the project team in targeting the budget while providing value to the overall program.

## ENGINEERING / CONSULTING

### Karpinski Engineering

**Douglas A. Barnes, PE**, and **Matthew D. Morgan, PE, LEED AP BD+C**, have been named principals of Karpinski Engineering, an award-winning, multidisciplinary firm. Barnes is a leader in the firm's Pittsburgh office, where he manages projects, mentors staff, and serves as the firmwide Quality Process facilitator. He specializes in healthcare and laboratory projects. Morgan is based in the firm's Cleveland office and is a leader in the firm's mechanical engineering department. In addition to leading healthcare and laboratory projects, Morgan serves as a mentor and teacher for Karpinski staff. As principals, Morgan and Barnes are responsible for the strategic vision, operations, and financial wellbeing of the firm. Learn more at [karpinskieng.com](http://karpinskieng.com)
