Juan Morado Jr.

Benesch partner **Juan Morado Jr.** has been selected to participate in the ninth class of the Edgar Fellows Program this year.

The Edgar Fellows Program strives to develop leadership and governing capacity in Illinois. Its members address major policy issues without permitting partisan, ethnic and regional rivalries to trump statesmanship.

Morado, a member of the Benesch Health Care & Life Sciences Practice Group, is one of a few members chosen from the private sector, as the balance of the class is current elected officials from throughout the state of Illinois.

Lavelle Law added attorney **Victoria R. Paton** to the Family and Litigation practice groups.

Prior to joining the team at Lavelle Law, Paton was an associate attorney at Pucci | Pirtle LLC and Desai & Miller.

The North Suburban Legal Aid Clinic Board of Directors elected **Khem Khoeun** to its board.

Khoeun is a leader in the immigrant and refugee community. She began her career as an organizer at one of the largest immigrant-led coalitions in the country. Khoeun worked across diverse communities across the Chicago area to engage immigrants and refugees to advocate on policy issues impacting them — including education, healthcare, and immigration.
