In May 2019, Shopko Optical had a bold plan to introduce 80 freestanding locations on an aggressive timeline. Donna and her team hit the ground running, working with Benesch to facilitate leasing 80 new storefronts in 180 days. Now, with the help of a custom leasing platform and document management process, Shopko Optical has the means to efficiently manage ongoing leasing matters while continuing to rely on Benesch to execute new deals.
