EDUCATION

Baldwin Wallace University

Baldwin Wallace University has named **Timeka L. Rashid, Ph.D.** as vice president for student affairs. Rashid will work to build meaningful student experiences that foster success, along with parent and family engagement. Rashid previously served as Cleveland State University's assistant vice president for inclusive student engagement and as Kent State's associate dean of students. She was just tapped to lead communications for NASPA's Small Colleges and Universities Division Advisory Board.

EDUCATION

Baldwin Wallace University

Jeremy Short is now serving as Baldwin Wallace University's first chief talent officer. The new CTO role provides holistic leadership for the full talent life-cycle of faculty and staff, including recruitment, onboarding, evaluation, development and retention. Short came to BW from The Metro-Health System, where he was director of talent management and development. He spent the 17 prior years at Sherwin-Williams, rising to lead diversity and inclusion for 30,000+ employees in the Americas Group.

ENGINEERING / CONSULTING

USA Firmware

USA Firmware has promoted **Chris Myers** to the role of Vice President of Engineering & Operations. His position will help the growing organization leverage its expertise in Firmware and IoT to turn smart ideas into smart products. He combines over 33 years of experience in engineering, strategy, IoT, and product development to create a stellar combination of skills for the company. Chris has been with USA Firmware for six years and will be an excellent leader for the rapidly growing business.

LAW
