

# MY BENESCH

*"I'm an attorney, although I don't practice law, and have been in business for over 30 years. I've certainly come in contact with and dealt with my share of law firms. There's really no comparison between Benesch and any other firms I've dealt with."*

As one of the largest indoor multi-sport, training, education, and competition complexes in North America, SPIRE's reach extends across the country and around the globe. But it's very much a local hub as well. Jeff and his management team are committed to growing SPIRE's role as a resource for the community, state, and region while continuing to expand its core offerings and overall impact. They rely on Benesch to help them build recognition, forge new business and government relationships, and leverage opportunities to create a lasting legacy.
