

MY BENESCH

"Benesch treats our issues like it's their company—they take it to heart. I feel like we work together almost like coworkers rather than a typical client-attorney relationship."

Even when a business is based on having fun, starting up, growing and thriving takes hard work. Matt relied on his Benesch team to lay a solid foundation he can build on for years to come. From raising capital to negotiating contracts to protecting intellectual property, Benesch is helping Bleacher Creatures stay at the top of its game.
