

MY BENESCH

"Benesch has somebody who meets every single business need we have. Anything we've come across—and we've come across many new and challenging situations—Benesch has been able to handle."

ED KENTY, President & CEO
Park Place Technologies

Growing at the rate of 24 to 28 percent for six years running means business is booming—and not without its challenges. Serving bigger customers, expanding into global markets and adding employees are just a few by-products of success that have made Park Place Technologies happy to rely on Benesch. From corporate, transactional and tax matters to private equity and employment law, we help Ed and his team take double-digit growth in stride.
