Rightpoint combines digital agency and IT consulting services to transform how its clients do business—along the way, its own business has been transformed by rapid growth. As Rightpoint has grown, Benesch has been right alongside, helping the firm manage the ever-increasing volume of contracts and service agreements that are critical in its work. With the guidance of their trusted Benesch advisors, Ross, Brad and team are free to focus on serving clients, knowing they can “sign on the dotted line” with confidence.
