

Staying ahead to keep you on course

For the third time in four years, Benesch has been named **Law Firm of the Year in Transportation Law** in the annual U.S. News & World Report/Best Lawyers® “Best Law Firms” ranking. Only one law firm per practice area in the U.S. is receiving this recognition, making this award a particularly significant achievement. This honor would not have been possible without the support of our clients, who both enable and challenge us every day, and the fine attorneys of our Transportation & Logistics Practice Group. Their knowledge, insights and dedication to serving our clients are valued and respected at Benesch—and clearly far beyond.

Benesch’s Transportation & Logistics Practice Group has the capability to maximize growth, enhance profitability and minimize risk for anyone involved in this dynamic industry. Carriers of all modes of transportation (motor carrier, rail, air and maritime), third-party intermediaries (transportation brokers, freight forwarders, intermodal marketing companies, etc.), warehouse operators, shippers and consignees benefit from Benesch’s seamless and comprehensive “end-to-end” experience.
