

Drafting Discovery With an Eye Towards Trial	
Date:	Wednesday, May 14, 2025
Location:	Live Classroom – Chicago, Cleveland VC for Newly Admitted – New York, San Francisco Webinar
Time:	12:30 p.m. CT/1:30 p.m. ET
Description:	This course provides attorneys with a comprehensive overview of both written and oral discovery tools, highlighting their critical role in case strategy and trial preparation. Participants will gain a deeper understanding of the various discovery tools available, learning how to strategically select the most effective method to achieve specific case goals. Through a review of best practices and real-world examples, the course will also explore how effective pretrial discovery can directly impact trial outcomes, equipping attorneys with key insights and strategies for successful trial preparation. By the end of the course, participants will be able to confidently utilize discovery tools to enhance case strategy and strengthen their trial readiness.
Instructor(s):	1. Ron Betman – Partner, Litigation, White Collar, Government Investigations & Regulatory Compliance, Benesch 2. John Breig - Senior Managing Associate, Litigation, Product Liability Benesch
