SPEAKING ENGAGEMENT

2026 Update on Tariffs and Trade | Megan K. MacCallum

AMI's Flexible Packaging Innovation and Recycling Conference

JUNE 24-26, 2026

Milwaukee, WI

This event brings together decision makers and technical experts from across the flexible packaging value chain, including: film producers, flexible packaging converters and distributors, resin and additive suppliers, packaging machinery and equipment manufacturers, FMCG brand owners, recyclers, regulatory and compliance professionals, and industry associations and policy advisors.
