A Look Into the Future of Title IX's Sex and Gender Discrimination Regulations Post-Election 2024

Benesch's White Collar, Government Investigations & Regulatory Compliance Practice Group

NOVEMBER 12, 2024

Speakers: Marisa T. Darden, Robert J. Kolansky, Bianca Smith, Matthew David Ridings

As we navigate the complexities of Title IX's regulations on sex and gender discrimination, this panel discussion will dive into what the future might hold post-Election 2024. With K-12 schools, colleges and the Department of Education on the edge of their seats, we'll explore key issues like transgender sports participation, preferred pronouns, sexual misconduct allegations and support for pregnant/parenting students.
