**FreightWaves Virtual Global Supply Summit**

FEBRUARY 14, 2026

Speakers: [Marc S. Blubaugh](#)

The starts and stops in global trade since the beginning of the pandemic has created structural disruptions in global trade. Will the pre-pandemic era be remembered as the golden age of globalization and trade or is the pandemic era the catalyst for gold rush of innovation for trade?

FreightWaves' Global Supply Chain Summit will gather the leaders in global trade for a week-long event that will dive deep into the supply chains of various industries including retail, consumer packaged goods, automotive, and heavy industries.
