

ATA Law Review: Ukraine Invasion and the U.S. Transportation Industry Response | Jonathan R. Todd

MARCH 29, 2022

Speakers: [Jonathan R. Todd](#)

Jonathan Todd is presenting Ukraine Invasion and the U.S. Transportation Industry Response as part of the ATA Law Review's Webinar Series.

Russia's invasion of Ukraine produced an immediately volatile situation, shifting hour-by-hour. Once again, the transportation industry stands at the hub of a global supply chain that is enduring shock. This webinar will offer a big-picture assessment of the unfolding emergency and its wide range of national security, operational, and commercial challenges for carriers and also those shippers that rely upon their vital services.
