Bamboo Ceiling: Asian-Americans in Private Sector Leadership | Charanjit Brahma

Asian American Law Journal 2021 Annual Symposium

MARCH 12, 2021

Speakers: Charanjit Brahma

Asian-Americans have made significant strides in the legal profession over the past decades, but the top leadership positions in the legal field remain elusive to many Asian-Americans. In the 2020 Vault/MCAA Law firm Diversity Survey, Asian-Americans represented 12.08% of law firm associates but only 3.99% of equity partners and 4% of all partners.

This forum will provide for a nuanced conversation about the complex racial, cultural, and stereotype issues surrounding Asian Americans and their positions in the legal profession.
