

Building Your Business With Supply Chain Management Techniques

FEBRUARY 25-26, 2014

Columbus, OH
US

Benesch is a proud co-sponsor of a new, upcoming workshop entitled, "Building Your Business With Supply Chain Management Techniques." The workshop will be taught by world-renowned supply chain experts Ken Ackerman and Art van Bodegraven and will be held in Benesch's Columbus office on February 25-26, 2014. Please click [here](#) for complete details regarding this exciting and innovative program focused on understanding and using supply chain management techniques to spearhead organizational performance.
