Crain's Webinar – Hidden Danger: How to Manage the Risk of Withdrawal Liability

JUNE 17, 2014

Speakers: [Shaylor R. Steele](#)

Withdrawal liability is one of the biggest risks to any employer with a union workforce. The withdrawal liability rules are complicated, and many union employers have misconceptions about how withdrawal liability could impact their business. In this webinar, we will provide clarity on what withdrawal liability is and how employers can determine if it is a risk to their business. We will also dispel some myths on withdrawal liability, and provide practical ideas on how to manage and mitigate the risks withdrawal liability carries.
