SPEAKING ENGAGEMENT

De-risking the Deal Panel Discussion | Christopher D. Hopkins

Columbus Smart Business Dealmakers Conference

SEPTEMBER 22, 2022

Speakers: Christopher D. Hopkins

Columbus, OH

The list of issues that can derail an M&A transaction continues to grow. They include cybersecurity breaches, labor and talent challenges, delays in the ability to deliver products and services to clients, and COVID-related EBITA bumps (or drops). So, what can you do to mitigate risk when you're preparing to sell your business, make an acquisition, raise capital, or generate a significant liquidity event. A group of experienced dealmakers discuss how to identify, understand, and box in risks so that you and your company are prepared to pursue whatever type of deal comes along.
