Disrupting Implicit Bias: Strategies for Success and Inclusion and Protection from Potential Liability – Part 1 | Margo Wolf O'Donnell

ADSC Webinar Series

JUNE 17, 2020

Speakers: Margo Wolf O'Donnell

This two part virtual webinar will address the practical and legal impacts of failing to be inclusive. During this webinar, you will gain a better understanding of how certain unconscious biases can negatively impact personnel decisions as well as other business decisions and potentially expose your company to liability. David Peitsch, P.E., the Chief Legal Officer of Keller who also serves as Keller's Ethics and Compliance Officer will candidly discuss how Keller has utilized best practices and internal controls to address these issues. Margo Wolf O'Donnell, Esq. of ADSC member Benesch will provide the legal background that should drive the decisions that lead to greater inclusion and less liability at your company.
