DSO Market Trends and 2025 Outlook Webinar

Benesch and Ernst & Young Capital Advisors

JANUARY 21, 2025

This program will explore the latest trends in the dental support organization (DSO) market, including comparisons between general and specialty groups, the risks and opportunities tied to growth, and the ongoing dynamics of consolidation and expansion. Additionally, it will examine the shifting regulatory landscape in the industry and its implications for DSOs, as well as analyze where capital is flowing in the dental market, shedding light on investment strategies and emerging opportunities in this sector.

Speakers: Ira C. Kaplan, Robert A. Marchant, Cliff Mull, Slava Girzhel
