SPEAKING ENGAGEMENT

Fraud and Abuse Issues Applicable to OBL/ASC Ownership and Operations | Jason S. Greis

Society of Interventional Radiology - SIR 2023

MARCH 4-9, 2023

Speakers: Jason S. Greis

Phoenix, AZ

Meeting attendees will receive the latest information in basic and clinical research; experience techniques and technologies utilized by interventional radiologists around the world; see the latest equipment used in IR; and discuss social, political, and economic issues important to the IR community.
