SPEAKING ENGAGEMENT

From Policy to Action: Adapting to Environmental Regulatory Shifts | Reed W. Sirak

Burns & McDonnell - Wildlife & Energy Symposium

SEPTEMBER 16-18, 2025

Speakers: Reed W. Sirak

Kansas City, MO

The annual Wildlife & Energy Symposium, hosted by Burns & McDonnell, brings together colleagues focused on planning and permitting our country's renewable energy and transmission infrastructure. The goal of this event is to facilitate open discussion, share experiences and find solutions to the challenges and opportunities we all face in safely building our energy future.
