**Trucking Industry Defense Association - 2022 Cargo & Skills Course Seminar**

MARCH 30, 2022 - APRIL 1, 2022

Speakers: [Eric L. Zalud](#)

Tempe, AZ

The Trucking Industry Defense Association's Cargo & Skills Course Seminars are the premier events for new motor carriers, trucking insurers, defense attorneys and claims servicing companies. The Cargo Seminar is a one-day event designed to educate attendees on how to recognize, investigate and defend claims and lawsuits that arise from the loss or damage to goods and to manage situations following a cargo claim against a carrier or insured. The Skills Course Seminar is a two-day event designed to teach attendees critical thinking skills with real-world scenarios and key strategies in all areas for the successful handling of trucking claims.
