SPEAKING ENGAGEMENT

Hybrid OBL/ASC Legal Considerations | Jason S. Greis

OEIS 9th Annual National Scientific Meeting

JUNE 24 - 25, 2022

Speakers: Jason S. Greis

Las Vegas, NV

The OEIS 9th Annual National Scientific Meeting will be filled with stimulating and enlightening sessions presented by some of the most knowledgeable speakers in their fields.

The educational content is intended to address office-based interventional procedures and related research with a focus on innovations, evidence-based outcomes, assessment and interventions, continuous and legislative issues, practice management, patient safety, and environmental challenges.
