Speakers: [Margo Wolf O'Donnell](#)

New York, NY
US

In honor of International Women's Day, Margo Wolf O'Donnell, Partner and Vice Chair of Benesch's Labor & Employment Group, Chicago, will join a distinguished panel of women business leaders on March 15 for The New York Alternative Investment Roundtable's Event. The subject of the presentation will be "Implications on the Tax Reform Package: Insights & Considerations for 2018 & Beyond." This all-female panel of experts will discuss some of the implications of the tax reform legislation. Panelists will touch on both the short-term and long-term implications of the changes for corporations, pass-through entities and employees, as well who the biggest winners and losers will likely be. The event will be held at Grant Thornton's headquarters in New York City. To register, please email Britt Tunick at btunick@ny-air.org.
