SPEAKING ENGAGEMENT

In the Takings Trenches: Modern Litigation Strategies | Robert A. Zimmerman

National Business Institute - Eminent Domain and Land Valuation 2023 Webinar

JULY 11, 2023

Speakers: Robert A. Zimmerman

This program is designed for attorneys. Government officials, condemning agencies, appraisers, and paralegals may also benefit.

- Find out how courts are ruling on eminent domain issues right now.
- Explore current valuation problems in eminent domain proceedings.
- Discover how dedications, environmental contamination, and other factors affect land value.
- Pick up strategies for representing property owners or condemning authorities in litigation.
