SPEAKING ENGAGEMENT

International Law: The United States and the Changing World Order | Michael A. Vatis

Harvard Law School Class of 1988 Symposium

OCTOBER 28, 2023

Speakers: Michael Vatis

Cambridge, MA

Michael discussed his experience as a lawyer in government and private practice dealing with issues such as cybersecurity, privacy, counterterrorism, war crimes, and encryption, and how domestic political factors often exert a heavy influence on the government's decisions on international policy questions.
