

Long-Term Care Fundamentals

AUGUST 20, 2015

This webinar will cover the basics of legal and regulatory issues involving long-term care and providers of such services and supports. The faculty will:

- Explore the different provider types, payment sources, and regulatory schemes for providers of long-term care across the continuum of services and supports
- Help you understand how the demographics of our aging population and the changing health care arena influence the landscape of long-term care
- Discuss hot topics and most recent regulatory and legal issues facing long-term care providers
