SPEAKING ENGAGEMENT

Loss Prevention and Mitigation of Damages | Martha J. Payne

The Transportation and Logistics Council - Virtual Workshop

FEBRUARY 10, 2021

Speakers: Martha J. Payne

Cargo damage and “shortages” due to theft and pilferage cost shippers and carriers millions every year. Experts will discuss how to avoid or minimize such losses. And, when losses do occur - how damages can be mitigated by prompt action including inspection, repair and salvage. Also covered will be issues involving foods, product liability, brand and trademark considerations.
