Modern Risks of Today's Supply Chain

We're thrilled to invite you to “**Modern Risks of Today's Supply Chain**,” an exclusive panel discussion tackling the pressing challenges that are disrupting global logistics. From escalating tariffs and shifting trade agreements to rising theft and security threats, supply chains are under unprecedented pressure. Join us for expert insights, actionable strategies, and a unique brewery experience!

Topics of Discussion:

- Tariffs & Trade Wars: Impacts on the Supply Chain
- Theft Crisis in the Supply Chain: How is the industry responding?
- Legal & Insurance Strategies to Minimize Your Risk
- Question & Answer Session
