SPEAKING ENGAGEMENT

Navigating Hospice General Inpatient (GIP) Challenges | Rachel Hold-Weiss

National Hospice and Palliative Care Organization - Annual Leadership Conference

SEPTEMBER 16, 2024

Speakers: Rachel Hold-Weiss

Denver, CO

In this interactive session, hospice leaders will learn about new updates and real-life challenges related to government audits and appeals related to General Inpatient (GIP) level of hospice care, as well as regulatory documentation requirements for GIP in both contracted facilities and hospice inpatient units. Strategies and resources to navigate the intersection between compliance and regulatory requirements will be discussed.
