NRF Legal Webinar | Trump '47 Tariffs | Jonathan Todd, Stephanie Sheridan, and Meegan Brooks

APRIL 17, 2025

Speakers: [Jonathan R. Todd](#), [Stephanie A. Sheridan](#), [Meegan Brooks](#)

Tariffs are top-of-mind for the retail industry. Join us to cut through the “noise” with a practical up-to-the-minute webinar. Benesch’s attorneys will share their perspectives on where we stand, potential cost impacts, supplier and customer challenges, and compliance traps to avoid. We will also address potential risks relating to “tariff surcharges” and other pricing-related issues. Threats to the bottom line and risk from customer claims or government enforcement are all too real. Arm yourself to thoughtfully respond to this moment instead of merely reacting!
