Post-Acute Care and the COVID-19 Pandemic; Strategies for Growth, Positioning for Success | Alan E. Schabes; Daniel J. O'Brien; Matthew P, Delguyd; Nathan D. Sargent

Plante Moran and Benesch - Webinar

JULY 7, 2020

Speakers: Alan E. Schabes, Daniel J. O'Brien, Matthew P. Delguyd, Nathan D. Sargent

This presentation covers three key topics: (1) Post-acute industry metrics and current state status, including governmental waivers that affect post-acute care and strategies to address them; (2) COVID-19 funding sources: CARES Act Funds, PPP Loans, Advance Payments and Main Street Loan Funding - and how to make sense of all such programs and what needs to be done to succeed; and (3) the strategy for success in the next 12 months.
