

SPEAKING ENGAGEMENT

Preparing for the Worst: Preemptively Addressing Direct Threats in the Workplace | Christopher Pendleton

Association for Rubber Products Manufacturers - Environmental, Health and Safety Summit

AUGUST 7, 2024

Speakers: [Christopher W. Pendleton](#)

Indianapolis, IN

Emergencies and disasters can strike when you least expect them, and employers must be prepared. This session will review various emergency situations in the workplace and how proper planning and training by employers before an emergency is necessary to respond effectively in the moment.
