PwC’s 2024 Global Economic Crime Survey | Marisa T. Darden

Cleveland Metropolitan Bar Association - Webinar

AUGUST 28, 2024

Speakers: Marisa T. Darden

This webinar will cover the major themes of PwC's recently published Global Economic Crime Survey (GECS) and the implications for corporations with international operations. This edition of GECS focuses on five risk areas: fraud, corruption, supply chain risk, export controls and sanctions. This survey report reflects findings from nearly 2,500 companies across 60+ countries/territories and insights from interviews with more than 40 senior executives at major corporations.
