Signal-gate Unlocked: Striking the Balance Between Secure Communications and Legal Oversight in Government | Marisa T. Darden

The Lock & Key Lounge Podcast

MAY 1, 2025

Speakers: Marisa T. Darden

Delving into recent developments from ‘Signal-gate’ and focusing on the serious legal and operational pitfalls exposed by such guidance and how these recommendations, aimed at bolstering operational security, clash with the intricate requirements of laws like the Presidential Records Act and broader operational security concerns that extend beyond mere encryption.
