SPEAKING ENGAGEMENT

Tariff & International Trade Update - Third Quarter Edition! | Jonathan R. Todd

Manufacturers Association for Plastics Processors (MAPP) 2025 Benchmarking & Best Practices Conference

OCTOBER 1-3, 2025

Speakers: Jonathan R. Todd

Indianapolis, IN

Join Benesch for an up-to-date briefing on the tariff environment as we enter the Third Quarter. Tariffs, their cost, and the compliance burden have been on everyone's mind all year long. Now industry has greater clarity on the trendline and what surprises may be in store. Gain insights on what all this means for your business and how you can best stay out of customs detention and the headlines as we look to close the calendar year strong!
