

Tariff Update Q3 2025: What Plastics Manufacturers Need to Know NOW | Jonathan R. Todd, Megan K. MacCallum

Manufacturers Association for Plastics Processors - Webinar

SEPTEMBER 15, 2025

Speakers: [Jonathan R. Todd](#), [Vanessa I. Gomez](#), [Megan K. MacCallum](#)

Your business has felt tariff pressures throughout the year - and the changes keep coming. Plastics manufacturers need to stay informed to stay ahead. Join Benesch's legal team for a timely briefing on the latest developments in U.S. trade actions, including new and proposed tariffs impacting global supply chains. This session will break down what's changed, what's coming, and how your business can prepare. From sourcing strategies to compliance risks, get the insights you need to navigate today's volatile trade environment with confidence.
