SPEAKING ENGAGEMENT

The Use of Restrictive Covenants in 2022 to Protect Your Trade Secrets, Customer Relationships, Workforce and Other Legitimate Business Interests | J. Scott Humphrey

Food Processing Suppliers Association - Webinar

OCTOBER 5, 2022

Speakers: J. Scott Humphrey

Overview of the types of restrictive covenants typically found in company agreements (employment agreements, stock option agreements, severance agreements, etc.), review the key restrictive covenant cases and legislation in 2022. Practical guidance and “best steps” that companies can take in order to protect their trade secrets, business relationships, and workforce through enforceable and reasonable restrictive covenants.
