

Trump Tariffs - Keys for Delivery Service Providers and Their Customers | Jonathan Todd, Megan MacCallum

APRIL 29, 2025

Speakers: [Jonathan R. Todd](#), [Megan K. MacCallum](#), [Vanessa I. Gomez](#)

Supply chain disruptions caused by changes in tariff policy is the leading "uncertainty" creating today's economic headwinds. Jonathan Todd, Vice Chair of Transportation and Logistics Practice, and colleague Megan McCallum will provide an overview of the current situation and share insights on what you should be preparing for in the coming months.
