Trust a guide who's been there before.

For the fourth time, **Benesch** has been named **Law Firm of the Year in Transportation Law** by Best Law Firms®/U.S. News & World Report.

Only one law firm per practice area receives the nationwide Law Firm of the Year recognition.

This is the seventh consecutive year that Benesch has received a national first-tier ranking in Transportation Law. Benesch's Transportation & Logistics Practice Group guides clients in every facet of the supply chain to maximize growth, enhance profitability, ensure customer satisfaction, and minimize risk. Carriers of all modes of transportation (motor carrier, rail, air, and maritime), third-party intermediaries (transportation brokers, air and ocean freight forwarders, intermodal marketing companies, etc.), warehouse operators, technology providers, and commercial shippers (manufacturers, distributors, and retailers) rely upon Benesch's leadership and experience—from each global origin to destination and every turn in between.
