Benesch Partners Jonathan Todd and Philip Nester Publish Greater Houston Port Bureau Article on Supply Chain and Legal Risks Amid Iran Conflict

MAY 26, 2026

Greater Houston Port Bureau News recently published an article by Jonathan Todd, Vice Chair of Benesch's Transportation & Logistics Practice Group, and Philip Nester, Partner, titled "Iran Conflict - Global Shipping Risks Explained."

The article explores how the 2026 conflict with Iran is creating complex legal, insurance, and supply chain challenges for global shipping, highlighting increased risks, coverage gaps, regulatory responses, and rising disputes that are reshaping how companies manage commercial and operational risk.
