

## Benesch Partners Marisa Darden and Shaneeda Jaffer Featured in Lexology Panel Discussion

FEBRUARY 18, 2025

Benesch Partners [Marisa Darden](#) and [Shaneeda Jaffers](#), recently co-hosted a *free masterclass* on the topic of incorporating Artificial Intelligence in compliance programs, in collaboration with Lexology.

The session, held on February 17th, 2025, explored the risks, rewards, and regulatory implications of using AI tools in financial institutions to detect illicit finance patterns, trends, and risks. They addressed key questions about the role of AI in compliance and provided valuable insights into its potential pitfalls.
