

Benesch Transportation & Logistics Attorneys Featured in Commercial Carrier Journal

JULY 14, 2025

Authors: [Jonathan R. Todd](#), [J. Philip Nester](#), [Brian Cullen](#)

[Robert Pleines](#), Senior Managing Associate; [Brian Cullen](#), Of Counsel; and [Jonathan Todd](#), Vice Chair of Benesch's Transportation & Logistics Practice Group, published an article in the *Commercial Carrier Journal* titled "Trump's emissions rollback: What motor carriers & private fleets must know."

The article explores the implications of the recent rollback of California's emissions waivers under the Congressional Review Act and what it means for trucking fleets and private carriers nationwide. Pleines, Cullen, and Todd provided insights on the evolving regulatory landscape, pending legal challenges, and how industry stakeholders can prepare for the road ahead.
