Access Intelligence Acquires P3C Media, Expanding Its Conference Footprint into the Burgeoning Public-Private Partnership Marketplace

OCTOBER 15, 2018

Source: Array

Access Intelligence announced today the acquisition of Benesch client, P3C Media, owner of The Public-Private Partnership (P3) Conference and Expo, the leading education and networking event for P3 leaders from government and industry to discuss infrastructure challenges and innovations in project delivery, procurement, life cycle asset management and solutions. This acquisition strengthens Access Intelligence's leadership position across several of their served markets.

Joe Tegreene led the Benesch team in this deal. The full press release can be found [here](#).
